THE CELEBRATE KIDS! CONFERENCE IS WHERE CHILD ADVOCATES CONVENE

Hundreds of attendees from across the state will attend our 27th annual conference at the Hyatt Regency downtown September 21 - 23, 2022. We are proud to present our second consecutive conference at this location as a result of attendee growth. CASA Volunteers, attorneys, and other child welfare professionals look forward to this annual event for the latest information on best interest advocacy, policy updates, and statewide trends.

Gain awareness and align your values and become a conference supporter. By sponsoring or renting an exhibitor table at the 2022 Celebrate Kids! Conference, your organization or company will have representation at one of downtown Columbus' premier hotels and event spaces, and you'll have the opportunity to connect with professionals from around the state that have committed to helping our community's most vulnerable children.
